Mr. Joshua Lederberg
1230 York Avenue
New York, N.Y. 10021

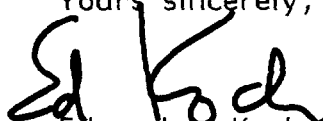

Dear Mr. Lederberg:

I have received your letter in support of continuation of New York City's Financial support of the Public Health Research Institute.

I am aware that PHRI is a fine institution, and am hopeful that an arrangement can be made to insure its continuation without placing an undue burden on the City's limited financial resources.

Thank you for your interest in writing to me on this matter.

Yours sincerely,

Edward I. Koch
